## Excited about Reading at Ashley

In partnership with the Denver Broncos Foundation, Ashley Elementary will be bringing Reading Partners to the school next year for K-4 literacy support. This means that dozens of our students who are below grade level will get two one-on-one tutoring sessions every week to bolster their reading skills. It also means that the Denver Broncos Foundation will be able to support us in other ways - still to be decided - but examples are offering us a Scholastic Book Fair and visits or read-alouds with Broncos staff. We encourage you to share this amazing new partnership with your friends and family who are thinking about choosing Ashley next year. It will be a great year for readers and for Broncos fans!
